If there had been only three candidates in the above example, only "Key", "Comb" and "Cot" could be allotted in that order.

(2) In such election, the allotment of symbol shall be done only by drawing lots even if the contesting candidates agree among themselves upon their symbols.

7. Allotment of Symbols in Elections held on party basis.-

(1). ALLOTMENT OF SYMBOLS TO NATIONAL PARTIES AND RECOGNISED PARTIES OF TAMIL NADU

In an election held on party-basis, a candidate set up by a recognised political party shall choose, and shall be allotted, the symbol reserved for that party and no other symbol:

Provided that when there are conflicting claims for any such reserved symbol due to defect of substantial character either in the nomination paper or in Form B or Form C filed, none of the claimants shall be allotted that reserved symbol and all the claimants shall be treated as independent candidates and allotted the free symbols left after allotting to all other candidates in that election:

Provided further that no reserved symbol shall be sought or allotted in an election, to any candidate other than a candidate set up by a recognised political party to which that symbol has been reserved, even if no candidate has been set up by that recognised political party in that election.

(1) A. CONCESSION TO CANDIDATES SET UP BY A STATE PARTY AT ELECTIONS IN OTHER STATES OR UNION TERRITORIES

If a Political Party which is recognized as a State Party in some other State or States or Union Territories sets up a candidate at an election in a ward in any Local Body / District Panchayat or for the office of the Chairman / Mayor as the case may be, in any urban Local Body which are held on party basis, then such candidate may, to the exclusions of all other candidates in the said election be allotted the symbol reserved for that party in the State or States in which it is a recognised State Party, notwithstanding that such symbol is not specified in the list of free symbols for such election, on the fulfilment of each of the following conditions, namely:-

- (a) that an application is made to the commission by the said party for exclusive allotment of that symbol to the candidate set up by it, not later than the third day after the publication in the Official Gazette of the Notification calling the election or within three days from the date of issue of this order;
- (b) that the said candidate has made a declaration in his nomination paper that he has been set up by that party at the election and that the party has also fulfilled the requirements of clauses (b),(c) and (d) of paragraph 8; and
- (c) that in the opinion of the Commission there is no reasonable ground for refusing the application for such allotment.

Provided that nothing contained in the paragraph shall apply to a candidate set up by the said party at an election in any Ward/Local Body where the same symbol is already reserved for some other National or State Party of Tamil Nadu.

(1) B. CONCESSION TO CANDIDATES SET UP BY UNRECOGNISED PARTY WHICH WAS EARLIER RECOGNISED AS A NATIONAL OR STATE PARTY

If a Political Party, which is unrecognized at present but was a Recognised National or State Party in the State of Tamil Nadu not earlier than six years from the date of notification of the election sets up a candidate at an election in a ward in any Local body / District Panchayat or for the office of the Chairman / Mayor as the case may be, in any urban Local Body which are held on party basis then such candidate may, to the exclusion of all other candidates in the said election, be allotted the symbol reserved earlier for that party when it was a Recognised National or State party in Tamil Nadu notwithstanding that such symbol is not specified in the list of free symbols for such election, on the fulfilment of each of the following conditions, namely:-

- (a) that an application is made to the commission by the said party for the exclusive allotment of that symbol to the candidate set up by it, not later than the third day after the publication in the Official Gazette of the Notification calling the election;
- (b) that the said candidate has made a declaration in his nomination paper that he has been set up by that party of the election and that the party has also fulfilled the requirements of clauses (b),(c) and (d) of paragraph 8; and
- (c) that in the opinion of the Commission there is no reasonable ground for refusing the application for such allotment.

Provided that nothing contained in the paragraph shall apply to a candidate set up by the said party at an election in any Ward/Local Body where the same symbol is already reserved for some other National or State Party.

(2) Choice of symbol by candidates set up by registered - unrecognised political parties and by independent candidates .- Every independent candidate, shall declare in the nomination paper first filed by him or on his behalf, his choice of three free symbols from the list of free symbols for that election indicating the order of his preference. Every candidate who is set up by the registered - unrecognised political party shall declare in the nomination paper first filed by him or on his behalf, his choice of three free symbols collectively from the list of free symbols notified for the party based elections. The symbols shall be allotted in accordance with the procedure laid down below:-

(a) The allotment of symbols shall be considered in the order of preference made by the candidates, that is to say, the first preference of the candidates will be considered first, the second preference next and the third preference last:

Provided that the allotment of symbols to candidates set up by the registered - unrecognised political parties shall be completed first and only thereafter the allotment of symbol to the independent candidates shall be taken up and allotted from among the remaining free symbols.

(b) Where a free symbol has been sought for by only one candidate set up by a registered-unrecognised political party, as his first choice, it shall be allotted to that candidate and to no one else. If any free symbol has been sought for by more than one candidate set up by the registered-unrecognised political parties, the allotment of that symbol shall be decided by drawing a lot among these candidates and the candidate whose name is drawn first shall be allotted that symbol.

(c) If any candidate set up by registered - unrecognised political party could not be allotted the symbol sought for in his first preference in the lot, he shall be considered for allotment of the free symbol sought for, as his second preference. Should the second choice of symbol could also not be allotted, due to conflicting claims for that symbol and failure in the lot, he shall be considered for the allotment of the free symbol of his third preference. Even if this could not be allotted, he should be allotted by drawing a lot, any one of the free symbols left after allotting to other candidates set up by the registered - unrecognised political parties in accordance with the procedure set out above.

(d) After completing the allotment of free symbols to all the candidates set up by the registered - unrecognised political parties, the remaining free symbols shall be allotted to the independent candidates in accordance with their choice and preference by adopting the procedures for allotment of symbols to candidates set up by the registered - unrecognised political parties.

8. When a candidate shall be deemed to be set up by a political party.- (1) For the purposes of this Order, a candidate shall be deemed to be set up by the political party if, and only if-

- (a) the candidate has enclosed a declaration to that effect in Form C along with the nomination paper;
 - (b) a notice in writing in Form B to that effect has, not later than 3.00 p.m. on the last date for withdrawal of candidature, been delivered to the Returning Officer;
 - (c) the said notice is **either** signed by the President, the Secretary or any other office bearer and who has been authorised by the party in this behalf or any other person who has been authorised by such office bearer, to send the notice; and

- (b) Form C shall be signed in ink, while printed/cyclostyled/photocopies of Forms A and B with facsimile signature can be presented.

9. When splinter groups or rival groups claim to be that party.- If in an election to the local bodies held on party-basis, rival sections or groups of a recognised political party claim to be that party, the State Election Commission may decide on allotment of symbols to the candidates sponsored by such sections or groups and the State Election Commission's decision shall be final.

10. When two or more recognised political parties amalgamate into a new party.- If in an election to the local bodies held on party-basis, two or more recognised political parties join together to form a new political party but the recognition for it under the Election Symbols (Reservation and Allotment) Order, 1968, is pending before the Election Commission of India, the new party may be allotted by the State Election Commission any of the reserved symbols already allotted to the constituent parties, provided a request in writing for such an allotment is made jointly by the Chief Executive Officers of all the constituent recognised parties.
